

**Notice of objection to the Bankruptcy proceedings of  
General Motors Corp., et al,**

**Chapter 11 case No. 09-50026 (REG)**

**I object to any corporation, company, or individual that uses  
or moves assets to another location or country and then has the  
nerve to say, "We're bankrupt in north America only".**

**I submit that all GM assets outside of the USA be retrieved or  
included as assets towards the finding of bankruptcy in these  
proceedings.**

**Another option would be to allow all citizens to move all their  
assets to a Swiss bank account and then be permitted to claim  
they're "bankrupt in North America only".**
